

Inflation Reduction Act

Insulin & Part D vaccine benefits are getting even better in 2023

We strive to help our members achieve total health. This includes efforts to provide our members with access to more affordable prescription drugs. With the passing of the Inflation Reduction Act, our plan will have enhanced benefits beginning 1/1/2023.

Important Message About What Members Pay for Vaccines - Our plan covers most Part D vaccines at no cost to the member, even if they haven't paid their deductible.

Important Message About What Members Pay for Insulin - Members won't pay more than \$35 for a one-month supply of each insulin product covered by our plan, no matter what cost sharing tier it's on, even if they haven't paid their deductible.
