**Do you need an expedited (fast) decision?**

---

- Check this box if you believe you need a decision within 72 hours.** If you have a supporting statement from your prescriber, attach it to this request.
- If you or your prescriber believe that waiting 7 days for a standard decision could seriously harm your life, health, or ability to regain maximum function, you can ask for an expedited (fast) decision.
  - If your prescriber indicates that waiting 7 days could seriously harm your health, we'll automatically give you a decision within 72 hours. You can't ask for an expedited appeal if you're asking us to pay you back for a drug you already got.
  - If you don't get your prescriber's support for an expedited appeal, we'll decide if your case requires a fast decision.
